#### PRESIDENT'S MESSAGE

**T**hank you to the membership for the opportunity to serve as president for CDADF. At the start of this new club year, I have asked Addie to re-publish our club Constitution, which was revised in 2012. I would ask all of our members to review the constitution, with a special focus on section 2 and the objectives of the club.

With respect to these objectives, where do you feel we're succeeding and how can we measure that success? Where do we perhaps need to step up our game? I plan to work with the board at the next two board meetings to set some specific goals for these objectives for the 2015-2016 year, so if you have suggestions, observations or comments, please share them with me or any of the board members so your input can be included.

As Thanksgiving approaches, I want to express my thanks to Addie and the work she's done to not only make the transition of officers go so smoothly, but also for the foundation she's provided with key dates and deadlines. These tools will help my successors as much as myself! Also many thanks to Deb Mansfield for stepping forward to organize the Howlidays participation. We also are all indebted to the work of Susie and the trainers who've had a record year for our training program AND were willing to have a short holiday training session when I'm sure they all have a list of things they need to accomplish this season! Finally, I am thankful for my much loved pooches - past, present and future - who've brought such extraordinary people to my lives such as all of you!
